Connected Room Housekeeping Job Aid

Please refer to the guide below for assistance verifying the TV remote control is working correctly and for identifying incorrect room numbers assigned to the guest TV experience. It is important the correct room number is displayed, or else guests will not be welcomed by the correct name or be able to use some features on the television.

REMOTE CONTROL AND ROOM NUMBER CHECK

1. Use the Power Button on the remote control to turn on the TV
2. Ensure the TV screen below appears on the TV
3. Verify the room number on the TV screen is correct. **Contact Engineering if the TV doesn't turn on, if the TV screen is NOT similar to the example below, or if the room number is incorrect.**
4. Use the Power Button on the remote control to turn off the TV
